

# Bible Book Cards

## Provide these cards to help students:

- learn the names of the books of the Bible.
- practice ordering the books of the Bible.
- recall the main content of each book.

## How to Prepare

1. Photocopy the pages onto card stock or heavy paper.
2. Invite volunteers to color the cards with fine-tip markers if desired.
3. Laminate or cover the pages with adhesive covering.
4. Cut apart the cards along the dark lines.
5. Bundle the cards into sets with rubber bands; store the sets in resealable plastic bags.

## Tips

Involve students in preparing the cards (coloring, cutting) to increase their interest.

Prepare several sets for classroom use; consider preparing individual sets for each student to color and take home for personal review of Bible books.

## Games

1. Play a game like Go Fish: the goal is to collect four cards in correct order.
2. Order, Order! Distribute two cards to every player. Players move around the room until your signal, when they quickly move to stand and display their cards in correct Bible order.
3. Lay 12 to 16 identical cards from two sets facedown. Play a game like Concentration: players take turns to flip two cards to find matching pairs; pairs are kept by each player. Count the pairs to determine the winner.
4. Play a game like War: players shuffle and divide a set of cards between them, and then simultaneously turn over the top cards from their piles, reading the book names aloud. The player whose card comes later in the Bible collects both cards. Once all cards are played, players work together to correctly order all the cards.
