Jesus told this story: In a certain town there was a  who didn't care about God or what people thought. A  came to him one day and asked him to give her  against her enemy. The  refused. But the  came back the next day ... and the next day ... and the next!

Each time she asked for . Finally, the  was tired of the  asking him. He gave her .

Jesus told the disciples, "If an unjust  gave the  what she wanted, won't God give you , if you  to Him and keep on asking?"

A gavel reminds us that God is a just judge. He WILL hear us and help us. When we think nothing is happening, He is at work. Don't give up!!
