T

here are lots of hurting people all around. Your acts of kindness can make a difference in their lives.

Find and circle all the acts of kindness in the word search. The words you are looking for are written along the edge of the page. One has been done to get you started. Some answers contain two words. Words run in circles—backward and forward.

Help is on the Way

G

ur good intentions don't mean much unless we get busy and do something! Use another color line to circle the "acts of kindness" that you could actually do. Then list people for whom you could do these kindnesses. Think of people outside your family or regular circle of friends too.
